INFORMATION DISCLOSURE STATEMENT

Seattle, Washington 98101

January 5, 2004

TO THE COMMISSIONER FOR PATENTS:

Applicant is aware of the information listed in the attached form that may be material to the prosecution of the above-identified patent application.

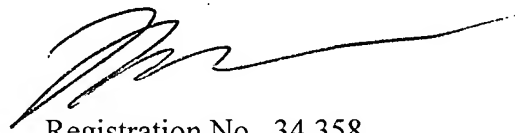

1. x Copies of the listed patents, publications, and other information are enclosed for the Examiner's use.
2. x This application relies, under 35 U.S.C. § 120, on the earlier filing date of prior Application No. 60/399,899, filed July 30, 2002. Applicants also wish to make known to the U.S. Patent Office that International Application Serial No. PCT/US03/23871, filed July 30, 2003, describing and claiming subject matter that is similar to the subject matter of this application, relies on the earlier filing dates of the same application identified above. This related application, as well as any prior art cited therein, may be material to the examination of this application.
3. x Pursuant to 37 C.F.R. § 1.97(b), this Information Disclosure Statement is being filed within three months of the filing date of the national application (other than a CPA), within three months of the date of entry of the national stage as set forth in 37 C.F.R. § 1.491 in an international application, before the mailing date of a first Office Action on the merits, or before the mailing date of a first Office Action after the filing of an RCE.

OMEROS CORPORATION
